

**Fits Magma Rectangular Grills, Single Mount "SM" and Tournament Series Tables**

**Standard Duty**

Contents:

Plastic adaptor shim for use with 7/8" rails only

**Fits Standard Round Rails 7/8" (22mm) or 1" (25.5mm)**

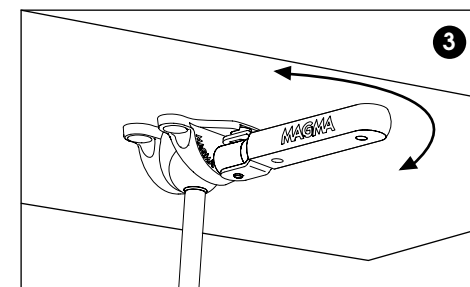

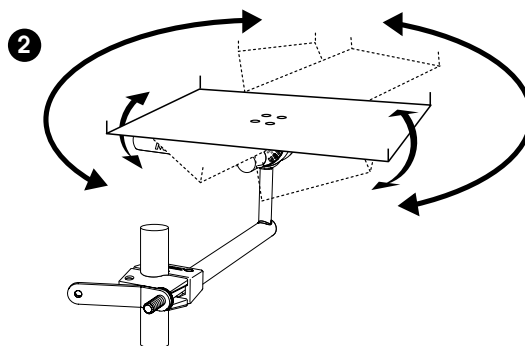

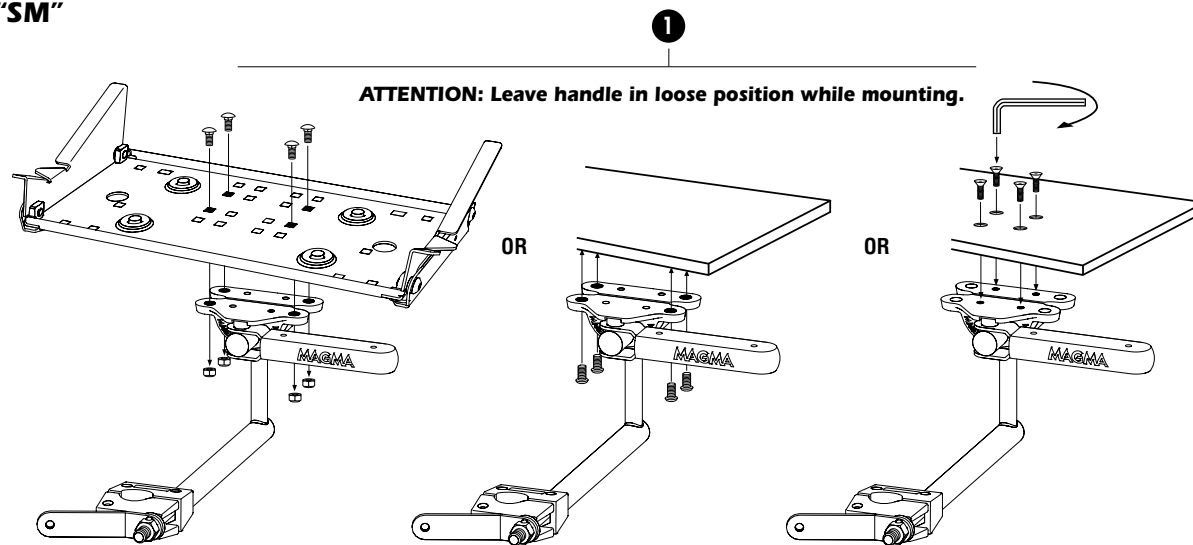

This mount combines the versatility of our popular "Levelock"® all-angle quick release, cam-action mount for instantaneous leveling, with our sturdy vertical, out-over-the-water Round Rail Mount. This mount is made entirely of 18-9 stainless steel and 356 anodized aluminum to outlast even the most severe marine environments. Quickly disassembles for stowage without tools, leaving no hardware on the rail.

**• CAUTION •**

*Plastic adaptor shim not for use on horizontal or diagonal rails, use only on vertical rails.*

**NOTE: Instructions and fasteners for mounting to Magma Rectangular Grills, Single Mount "SM" and Tournament Series Tables are included with the grills and tables.**

**Note:** Not recommended for use with the A10-1225 "Monterey" Gourmet Series Gas Grill.

**IMPORTANT: Make sure that the handle is tightened fully.**
